

There is no place like Y Day Camp – A home away from home where kids laugh, learn, explore and grow in the outdoors, while creating memories and friendships that last a lifetime. Kids discover not just the wonders of day camp but the joy of exploring their unique traits, talents and interests and the power of sharing their strengths and skills to benefit the group. That's why kids in Enid attend the Y's summer day camps; to belong, achieve and build relationships.

OUR CAUSE

At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

OUR MISSION

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR FOCUS

We believe that to bring about meaningful change in individuals and communities, we must be focused and accountable. That's why we focus our work in three key areas that are fundamental to strengthening community: youth development, healthy living and social responsibility.
