

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Greetings to all:

Hi, my name is Jack Hinderliter. I am the new YMCA Childcare Director. I am so happy to be here and to be able to serve alongside you in taking care of your children. My goal is to provide a safe, educational, and faith-like program for your child's needs.

I hold a bachelor's degree in both education and leadership. I am currently getting my master's in business administration. I have been a PreK teacher and at-risk teacher for the public school system. I have been a director of many programs and have grown them to be very successful. Many of you may know me because I was formerly the Director of Kinder Konnection Daycare just right across the street at the First Baptist Church. In my short time at the daycare, we won two awards under my direction: "Enid Best in Daycare"; and the "Readers' Choice in Best Daycare". I hold an Oklahoma Childcare director credential and CECPD leadership certification. I also hold a national coaching license through US Soccer. I have coached soccer and played college soccer. Some of my passions are watching sports and to be outside. I also have a foster child of my own.

You may ask why kids? I like this quote from Whitney Houston "I believe that children are our future. Teach them well and let them lead the way. Show them all the beauty they possess inside." I strongly believe this quote is true in many ways, they are the FUTURE, educate them to be great LEADERS and allow their inner beauty(passion) to GROW. After all, every day brings on a new passion because every day is a new opportunity to be inspired by someone else.

I would love to get to know you all. If you have any questions or concerns, please do not hesitate to come by my office or catch me running around with the kids.

Sincerely,

Jack Hinderliter
